HAPPY PACKING!

GETTING READY

TIPS AND REMINDERS

LABEL EVERYTHING!

Label EVERYTHING that you bring camp this summer with permanent labels like marker, iron-on, sew-in (even socks and masks!)

It is most helpful if you label each item with your camper's full initials or last name so we can identify items if found. If an item is not labeled and is left behind at camp, we cannot guarantee its return. Any lost items we collect at the end of the summer which do not have labels will be donated to charitable organizations in the weeks after camp.

LAUNDRY

Laundry service during camp for campers goes out about once per week.

Pack enough clothing to last between laundry periods during your time at camp. Also, you may note we mention wool/not cotton items a whole lot, and there's many reasons for this! Not only will it keep you warm even when wet, but it's also odor resistant and [you can wear wool socks a couple of times between washes!](#)

STORAGE & COVID SAFETY

ALL of your belongings are stored in one trunk or sturdy tote/container. Please do not bring multiple storage bags or containers. Lean towards hard sided/easily cleaned storage, and see if you've got something to repurpose for this job!

Your name and address should be labeled somewhere on the outside and inside of your storage container. We recommend including a final list of items inside your storage container to help remember what was brought when it comes time to pack up and head home.

LESS IS MORE IN THE OUTDOORS

In accordance with guidance from the American Camp Association, please limit belongings sent to camp to the essentials.

A big part of a camper's summer experience is gaining more independence around managing personal belongings and we recognize this is a learning process. We find that campers have a much more fun-filled time at camp when they are less focused on managing the items they bring with them.

We are an outdoor camp and we like to play in the woods, use tools, climb rocks, swim in lakes and rivers, cook with all kinds of foods, & work with farm animals.

Needless to say, clothes and gear get dirty as well as experience heavy wear during the summer. There is a high likelihood that many of our campers' items don't come back in the same condition they arrived. Therefore, if you are buying items on this list for camp, consider buying used or from an outlet. We strongly suggest that you leave valuable items, which could be lost or damaged, at home.

STORAGE

Please aim to fit everything on this list into **one storage trunk, footlocker, tote or sturdy container.**

Max height of no more than 18 inches.

- **Stuffed Animal**- as with everything else on this list, best to keep at home if very precious.

- **Mosquito screens and nets** - soft-mesh mosquito netting; this comes in standard sizes and can be tacked and draped around campers bunks as needed. **We provide this for Saltash Mountain*

- We have knives for campers to borrow during lessons & activities
- Here are two examples:
 - [Mora](#) Companion
 - [Gerber](#)
- We train and test our staff and campers to use these tools properly
- Improper use or use without training with result in the temporary suspension of knife privileges until they have been re-tested
- No multi-blade tools permitted

Note about dress-up items or costumes:
Campers are encouraged to bring a few pieces of fun, optional dress-up items, keeping in mind we will likely not share these items this year. WHERE TO GET GEAR

**BLUE = link.
Click on it!**

Buy used, local, & thrifty when you can! It's good for your budget and good for the environment if you need to buy "new" used clothing and gear for camp. Below is a list of suggested retail stores that offer used or consignment items. If you are going to buy new, we suggest investing in gear that your child won't quickly outgrow, such as a backpack or sleeping bag.

If you forgot to pack an essential item when you arrive to camp or if there are camping items on this list which are out of your family's price range, please let your camp director know and make arrangements BEFORE arriving at camp. We have limited supplies of larger, pricier items for campers to borrow, like frame packs or sleeping bags.
